

TOWN OF BROTHERTOWN  
CALUMET COUNTY, WISCONSIN

**Ordinance Amending Section 14 of the Town of Brothertown Zoning Ordinance**

The Town Board of the Town of Brothertown, Calumet County, Wisconsin, upon recommendation of the Town of Brothertown Plan Commission and after conducting public hearing preceded by a Class 2 notice, does hereby ordain the following amendments to the Town of Brothertown Zoning Ordinance:

Section 14 of the Town of Brothertown Zoning Ordinance is amended to read:

**Section 14.0 Regulation of Mobile Tower Siting.**

**Section 14.1. Purpose and Intent.** The purpose of this section is to regulate by a conditional use permit (1) the siting and construction of any new mobile service support structure and facilities; (2) with regard to a class 1 collocation, the substantial modification of an existing support structure and mobile service facilities; and (3) with regard to a class 2 collocation, collocation on an existing support structure which does not require the substantial modification of an existing support structure and mobile service facilities.

**Section 14.2. Definitions.**

All definitions contained in Wis. Stat. § 66.0404(1) are hereby incorporated by reference.

**Section 14.3. Siting and Construction of Any New Mobile Service Support Structure and Facilities.**

A) Application Process.

- 1) A conditional use permit is required for the siting and construction of any new mobile service support structure and facilities. The siting and construction of any new mobile service support structure and facilities is a conditional use in the Town obtainable with this permit.
- 2) A written permit application must be completed by any applicant and submitted to the Town. The application must contain the following information:
  - a) The name and business address of, and the contact individual for, the applicant.

- b) The location of the proposed or affected support structure.
  - c) The location of the proposed mobile service facility.
  - d) If the application is to substantially modify an existing support structure, a construction plan which describes the proposed modifications to the support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment associated with the proposed modifications.
  - e) If the application is to construct a new mobile service support structure, a construction plan which describes the proposed mobile service support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment to be placed on or around the new mobile service support structure.
  - f) If an application is to construct a new mobile service support structure, an explanation as to why the applicant chose the proposed location and why the applicant did not choose collocation, including a sworn statement from an individual who has responsibility over the placement of the mobile service support structure attesting that collocation within the applicant's search ring would not result in the same mobile service functionality, coverage, and capacity; is technically infeasible; or is economically burdensome to the mobile service provider.
- 3) A permit application will be provided by the Town upon request to any applicant.
- 4) If an applicant submits to the Town an application for a permit to engage in an activity described in this Ordinance, which contains all of the information required under this Ordinance, the Town shall consider the application complete. If the Town does not believe that the application is complete, the Town shall notify the applicant in writing, within 10 days of receiving the application, that the application is not complete. The written notification shall specify in detail the required

information that was incomplete. An applicant may resubmit an application as often as necessary until it is complete.

- 5) Within 90 days of its receipt of a complete application, the Town shall complete all of the following or the applicant may consider the application approved, except that the applicant and the Town may agree in writing to an extension of the 90-day period:
    - a) Review the application to determine whether it complies with all applicable aspects of the political subdivision's building code and, subject to the limitations in this section, zoning ordinances.
    - b) Make a final decision whether to approve or disapprove the application.
    - c) Notify the applicant, in writing, of its final decision.
    - d) If the decision is to disapprove the application, include with the written notification substantial evidence which supports the decision.
  - 6) The Town may disapprove an application if an applicant refuses to evaluate the feasibility of collocation within the applicant's search ring and provide the sworn statement described under paragraph 15.3126.
  - 7) The fee for the permit is \$3,000.
- B) Limitations. The Town may impose any conditions on its approval, except that it cannot include any condition prohibited by Wis. Stat. § 66.0404(4).

#### **Section 14.4. Class 1 Collocation.**

##### A) Application Process.

- 1) A conditional use permit is required for a class 1 collocation. A class 1 collocation is a conditional use in the Town obtainable with this permit.

- 2) A written permit application must be completed by any applicant and submitted to the Town. The application must contain the following information:
  - a) The name and business address of, and the contact individual for, the applicant.
  - b) The location of the proposed or affected support structure.
  - c) The location of the proposed mobile service facility.
  - d) If the application is to substantially modify an existing support structure, a construction plan which describes the proposed modifications to the support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment associated with the proposed modifications.
  - e) If the application is to construct a new mobile service support structure, a construction plan which describes the proposed mobile service support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment to be placed on or around the new mobile service support structure.
  - f) If an application is to construct a new mobile service support structure, an explanation as to why the applicant chose the proposed location and why the applicant did not choose class 1 collocation, including a sworn statement from an individual who has responsibility over the placement of the mobile service support structure attesting that collocation within the applicant's search ring would not result in the same mobile service functionality, coverage, and capacity; is technically infeasible; or is economically burdensome to the mobile service provider.
- 3) A permit application will be provided by the Town upon request to any applicant.
- 4) If an applicant submits to the Town an application for a permit to engage in an activity described in this Ordinance, which contains all of the information required under this Ordinance, the Town shall consider the application complete. If the Town does not believe that the

application is complete, the Town shall notify the applicant in writing, within 10 days of receiving the application, that the application is not complete. The written notification shall specify in detail the required information that was incomplete. An applicant may resubmit an application as often as necessary until it is complete.

- 5) Within 90 days of its receipt of a complete application, the Town shall complete all of the following or the applicant may consider the application approved, except that the applicant and the Town may agree in writing to an extension of the 90-day period:
    - a) Review the application to determine whether it complies with all applicable aspects of the political subdivision's building code and, subject to the limitations in this section, zoning ordinances.
    - b) Make a final decision whether to approve or disapprove the application.
    - c) Notify the applicant, in writing, of its final decision.
    - d) If the decision is to disapprove the application, include with the written notification substantial evidence which supports the decision.
  - 6) The Town may disapprove an application if an applicant refuses to evaluate the feasibility of collocation with the applicant's search ring and provide the sworn statement describe under paragraph 15.4126.
  - 7) If an applicant provides the Town with an engineering certification showing that a mobile service support structure, or an existing structure, is designed to collapse within a smaller area than the setback or fall zone area required in a zoning ordinance, that zoning ordinance does not apply to such a structure unless the Town provides the applicant with substantial evidence that the engineering certification is flawed.
  - 8) The fee for the permit is \$3,000.
- B) Limitations. The Town may impose any conditions on its approval, except that it cannot include any condition prohibited by Wis. Stat. § 66.0404(4).

## Section 14.5. Class 2 Collocation.

### A) Application Process.

- 1) A conditional use permit is required for a class 2 collocation. A class 2 collocation is a permitted use in the Town but still requires the issuance of the conditional use permit.
- 2) A written permit application must be completed by any applicant and submitted to the Town. The application must contain the following information.
  - a) The name and business address of, and the contact individual for, the applicant.
  - b) The location of the proposed or affected support structure.
  - c) The location of the proposed mobile service facility.
- 3) A permit application will be provided by the Town upon request to any applicant.
- 4) A class 2 collocation is subject to the same requirements for the issuance of a building permit to which any other type of commercial development or land use development is subject.
- 5) If an applicant submits to the Town an application for a permit to engage in an activity described in this Ordinance, which contains all of the information required under this Ordinance, the Town shall consider the application complete. If any of the required information is not in the application, the Town shall notify the applicant in writing, within 5 days of receiving the application, that the application is not complete. The written notification shall specify in detail the required information that was incomplete. An applicant may resubmit an application as often as necessary until it is complete.
- 6) Within 45 days of its receipt of a complete application, the Town shall complete all of the following or the applicant may consider the application approved, except that the applicant and the Town may agree in writing to an extension of the 45-day period.

- a) Make a final decision whether to approve or disapprove the application.
- b) Notify the applicant, in writing, of its final decision.
- c) If the application is approved, issue the applicant the relevant permit.
- d) If the decision is to disapprove the application, include in the written notification substantial evidence which support the decision.
- e) The fee for the permit is \$500.

B. Limitations. The Town may impose any conditions on its approval, except that it cannot include any condition prohibited by Wis. Stat. § 66.0404(4).

All other provisions in the Town of Brothertown Zoning Ordinance remain unchanged.

The Town of Brothertown Town Clerk is authorized and directed to make all changes to the Town of Brothertown Zoning Ordinance necessary to reflect this Amendment.

Adopted this 17<sup>th</sup> day of August, 2015.
