BUILDING INSPECTOR – TO BE DETERMINED – CHECK WEBSITE FOR CURRENT INFORMATION

GARBAGE FEES – Garbage fees are a special charge on your tax bill. The fee is \$127.50 per can. The Town has contracted with GFL (Green For Life) for garbage service.

The Town Board would like to point out that by State Law, residents may only burn lawn and garden debris and small quantities of clean untreated, non-painted wood. Dry paper or cardboard that is not recyclable may also be burned, however, whenever possible, paper and cardboard should always be recycled. Outdoor fires with clean wood for cooking, ceremonies or recreation are acceptable and do not require any special approvals unless environmental conditions pose a great risk for forest fires.

To reduce waste, residents are encouraged to buy wisely, compost food scraps and yard waste, reuse containers and recycle whenever possible. Bulky trash takes up more room in a container, therefore it's also a good idea to compact the household trash you generate whenever possible.

To learn more about open burning, visit the DNR's website at www.dnr.state.wi.us.
