TOWN NOTICES

Meetings, ordinances, election information, etc. are posted in three different locations. These notices are posted at the Town Hall, on a bulletin board located outside Fishermans Inn in Brothertown, and on a bulletin board located outside the former Church in Charlesburg. The legal publication newspaper is the Tri County News, however pursuant to State Statutes, not all notices are required to be published.

TOWN BOARD MEETINGS

The Town Board meets the first Tuesday of every month for their regular monthly meeting, except for January. The January meeting is held at the end of December with the date determined at the December meeting. The Annual Town Board Meeting will be April 14, 2026 at the Brothertown Town Hall at 7:00 pm.

ZONING UPDATES AND SHORT TERM RENTAL LICENSING

In 2025 the Town of Brothertown passed various zoning ordinance updates. This includes a new Short Term Rental Licensing Ordinance which enacts licensing requirements and sets the allowable duration and frequency of Short Term Rentals in the Town. Licenses can be obtained by filing an application with the town clerk and must be renewed annually by June 30. Applications for renewal should be filed at least 45 days prior to expiration. For more information visit the 'Ordinances & Resolutions' section of the Town of Brothertown website.

TAX COLLECTION

Property Taxes will be collected thru mail only. If you would like your payment recorded for 2025, it needs to be postmarked December 31, 2025 or prior. In order for you not to be delinquent with your 2025 tax payment, it needs to be postmarked January 31, 2026 or prior. Be aware that the US Postal Service has changed how mail is postmarked and may no longer apply same-day postmarks. If you are mailing to meet the deadline, please walk into the post office and request a postmark.

Payments should be mailed to Lori Fhlug, Treasurer, at W3916 St. Charles Rd., Chilton, WI 53014.

If you would like a receipt, please enclose a self-addressed stamped envelope. If you have an escrow check for more than the tax bill a refund check will be mailed to you after the next Town Board meeting provided the refund is greater than \$5.00. If you need a dog license, the fee may be added on with your property tax payment and the license, along with the tag, will be returned to you. See the Dog License section for additional information. **No payments will be personally collected at my home.**

2025 TAX RATE

The Town of Brothertown is in both the Chilton School District/Fox Valley Technical College and the New Holstein School District/Moraine Park Technical College. Listed below is a breakdown of the tax rates for the past two years and this year's rate for comparison. Your 2025 tax bill is the net tax rate times your assessed value (per \$1000). The lottery credit is taken off (if the property is your primary residence and you lived there January 01, 2025), the first dollar credit is taken off (the property needs to have an improvement on it to get this credit) and the garbage/refuse/recycling fee is added.

DOG LICENSES

ALL DOGS in the State of Wisconsin over the age of 5 months are REQUIRED BY LAW to be licensed before April 1st of each year. Dog license fees can be included with your taxes and mailed to the Treasurer at the address above. You will not receive a bill or any other reminder to license your dog. **If your dog(s) has had a renewal rabies vaccination in 2025, please include a copy of the rabies certificate with your payment. No license will be issued if the rabies shot has expired and proof of vaccination from a licensed veterinarian is not provided.** Dog license fees are \$3.00 for neutered male or spayed female dogs and \$8.00 for unneutered male or unspayed female dogs. A license and tag will be mailed to you. Any dogs unlicensed by April 01, 2026 are subject to a \$5.00 late fee. Any dogs not licensed must be reported to the Calumet County District Attorney.

There needs to be at least three (3) feet between your cart and any other objects such as parked cars, light poles, mailboxes and other carts. Be sure to place garbage and recycling carts on opposite sides of the driveway

To reduce waste, residents are encouraged to buy wisely, compost food scraps and yard waste, reuse containers and recycle whenever possible. Bulky trash takes up more room in a container, therefore it's also a good idea to compact the household trash you generate whenever possible.

Burning: The Town Board would like to point out that by State Law, residents may only burn lawn and garden debris and small quantities of clean untreated, non-painted wood. Dry paper or cardboard that is not recyclable may also be burned, however, when possible, paper and cardboard should always be recycled. Outdoor fires with clean wood for cooking, ceremonies or recreation are acceptable and do not require any special approvals unless environmental conditions pose a great risk for forest fires. To learn more about open burning, visit the DNR's website at www.dnr.state.wi.us.
